Dear stakeholder,

Grytviken Conservation Management Plan Consultation

I am very pleased that we are now in a position to be able to circulate to stakeholders for consultation the draft Grytviken Conservation Management Plan. The document can be downloaded from the following link – <https://we.tl/Y8VsWdA4Oh>

The consultation period will run for a 4-week period closing on Sunday 22nd July.

The Conservation Management Plan for Grytviken has been prepared by heritage consultants *Purcell*. This piece of work was commissioned by the Government following a recommendation from the SGSSI Heritage Framework and Strategy.

The Conservation Management Plan for Grytviken is to help provide a planned and comprehensive approach to managing this important heritage site.

I hope you will be able to contribute to this consultation process. Comments should be submitted directly to Rowenna.wood@purcelluk.com and copied to steve.brown@gov.gs by the end of 22nd July. Once we have considered the submissions we expect to publish a public response to the consultation in which we will summarise the feedback received, before finalising the Conservation Management Plan for publication.

Yours sincerely,
