### **GSGSSI revised implementation date for one month visitor fee policy**

Following engagement with IAATO members during the course of the 2010 IAATO meeting and discussions held in the aftermath of the meeting, the Government of South Georgia and the South Sandwich Islands has taken the decision to defer the implementation of the one month visitor fee structure until the start of the 2011/12 season. This will align the introduction of this fee with the introduction of the 72hr visitor fee supplementary charge, so that both fee structures will commence at the start of the 2011/12 season on 1 July 2011.
