

## South Georgia & the South Sandwich Islands

Office of the Commissioner  
Government House  
Stanley  
Falkland Islands

19<sup>th</sup> October 2020

**Invitation to participate in consultation:**  
South Georgia & South Sandwich Islands strategic framework document:  
Inspire Protect Manage; 2021-2025.

Dear Stakeholders and interested parties,

I would like to invite you to provide feedback on the South Georgia & South Sandwich Islands strategic framework document: Inspire Protect Manage; 2021-2025. The document will replace our existing five-year strategy which expires at the end of this year. The new document represents a change in approach. Our aim is to set out our vision and guiding values in order that everyone can understand how the Government intends to approach the coming period. Subject to this consultation, we have identified the following values as the most representative: Environmental Protection, Evidence-Based Decision Making, Sustainability and Openness.

Of course we are not starting from zero and the 2016-2020 strategy made possible the shift to a values based approach that is now being proposed.

We welcome comments and views from all stakeholders on or before **16<sup>th</sup> November 2020** to [ceo@gov.gs](mailto:ceo@gov.gs). Your comments will help put us in a great position for the start of 2021.

Together with the draft document there is a pro-forma feedback form which you might find helpful.

May I take this opportunity to wish you well in what continues to be very challenging times globally.

Yours sincerely,

*Helen Havercroft*

Miss H J Havercroft  
Chief Executive
