

Press Release to Stanley News Outlets on 29 June 2020.

Starts -

The Government of South Georgia and the South Sandwich Islands do not condone violence of any sort and are deeply saddened by the incident that occurred on the 29th June 2020 in Stanley. The Government expresses its concern for those who were injured and wishes them a speedy recovery.

The actions of these individuals are not representative of the high standards of personal and professional integrity expected from everyone who participates in our fishery.

Ends -

Note to editors

On the 29th June there was an incident involving three individuals employed as crew on a vessel that is licensed to fish at South Georgia. In response, GSGSSI released this statement to Stanley news outlets.
